HISTORIC AMERICAN BUILDINGS SURVEY

RECORDS OF HISTORIC CAPE COD BUILDINGS IN HABS

Check list of measured drawings and photographs of buildings in Barnstable County, Massachusetts, in the HABS, December, 1963. Compiled from HABS Catalog (1941), Catalog Supplement (1959), and records at National Park Service, Philadelphia, not yet deposited at the Library of Congress. Copies may be obtained at nominal cost from the Library of Congress, Division of Prints and Photographs, Washington 25, D. C. Records made in 1959-1963 are temporarily held in Philadelphia and are marked by an asterisk. Copies may be ordered there. Historic names are not yet known for all of these buildings. HABS would deeply appreciate additions to the Survey's historical records of these buildings. Structures in the Cape Cod National Seashore are indicated by the Seashore's building number in brackets to the left of the catalog listing.
